REMARKS/ARGUMENTS

The Applicant would like to thank the Examiner for the indication that claims 9 and 24 would be allowable if rewritten in independent form including all of the limitations of the base claim. Accordingly, claims 9 and 24 have been canceled. Claim 1 has been amended to include the limitations of claim 9, and claim 19 has been amended to include the limitations of claim 24. Based on the allowable additions to independent claims 1 and 19, dependent claims 2-6, 8, 10, 11, 20-23, 25, and 26 are now assumed allowable. With respect to the remaining independent claims, the limitation that was added to claims 1 and 19 has also been added to claims 12, 14, 16, 27 and 29. For at least the same reasons indicated by the Examiner with respect to claims 9 and 24, the Applicant now feels that claims 12-18 and 27-30 are allowable. Finally, Applicant has added similar new claims 31-37, which also include the limitation of allowable claims 9 and 24. Again, for at least the same reasons indicated by the Examiner with respect to claims 9 and 24, therefore, the Applicant feels that new claims 31-37 are also allowable.

According to the suggestions made by the Examiner, the following amendments have been made:

1. In claims 5 and 6, "includes" has been replaced with "include". In claims 6 and 23, "L2CAP" has been changed to "Logical Link Control and Adaptation Protocol".

In claim 19, line 7, “calls set up” has been replaced with “calls that are set up”. The hyphenated word “set-up” is a noun and “set up” is a verb. The Applicant intends to use this term as a verb. Likewise, “set-up” has been changed to “set up” in claim 1, line 5, claim 27, line 4, and claim 29, line 7.

In claim 19, line 2, “configured to establish” is changed to “for establishing”. In claim 19, line 6, “configured to assign” is changed to “for assigning”. In claim 21 line 1, “is further configured to associate” is changed to “further associates”. In claim 26 line 1, “is further configured to establish” is changed to “further establishes”.

Claim 7 has been canceled.

2. In claim 4, “said” is removed from “said two or more” to correct the rejection based on the lack of antecedent basis. Claim 7 has been canceled.

4. Claim 1 has been amended to include the limitations of claim 9. Claim 19 has been amended to include the limitations of claim 24. Claims 12, 14, 16, 27 and 29 have been amended to include limitations suggested by the Examiner with respect to claims 9 and 24.

Dependent claims 2-5, 8, 10, 11, 17, 18, 20, 21, 22, 25, 26, 28, and 30 now depend on independent claims that were amended to include limitations for allowability.

7. Claim 13 now depends on an independent claim that was amended to include limitations for allowability.

8. Claim 15 now depends on an independent claim that was amended to include limitations for allowability.

9. Claim 9 has been canceled, limitation of claim 9 have been incorporated in claim 1.

Furthermore, as set forth above, claims 31-37 have been added. Applicant believes that the cited references, whether they are taken alone or combined in any way, do not disclose or suggest claims 31-37 as now added by Applicant.

Should the Examiner disagree or have any questions regarding this submission, Applicant respectfully requests that the Examiner telephone the undersigned at (312) 775-8187.

A Notice of Allowability is courteously solicited for claims 1-6, 8, 10-23, and 25-37.
